11:50	I	Introduction to Safe Teen Assessment Centers	<p>Emily Straubhar provided an overview of the safe teen assessment center model and reviewed the key components of this work. Assessment center framework includes 3 buckets: advisory committee, guiding principles, and core components (process and structural) of the work.</p> <p>SWDH received funded to support a tier II assessment center. This allow us to conduct deep dive assessments into those who are in need and refer out to various community supports and provide linkage to case management.</p> <p>Question: What tools will be used? Will families need to reiterate information to each point along the referral pathway></p>
12:10	I	Why Focus on Youth Crisis – Data and Program Background	Nikki Zogg shared some background on why STAC, this program was previously not on our radar until the most recent Idaho legislative session. In 2021, the SWDH Board of Health began investigating whether or not our youth were experiencing an increase in crisis needs and behavioral health supports.
