1:20	I	YouthROC Update <ul style="list-style-type: none"> • Year 1 Data Snapshot <ul style="list-style-type: none"> ○ 330 program referrals received <ul style="list-style-type: none"> ▪ 271 from Canyon County ▪ 181 are Female ▪ 62% referred to counseling ▪ 55% basic needs are concern (180) ○ 253 referrals for assessment <ul style="list-style-type: none"> ▪ 77% conversion ▪ 196 assessments completed ○ 192 referrals to case management <ul style="list-style-type: none"> ▪ 98% conversion ▪ 86 – NFJC ▪ 74 – WICAP ▪ 22 – AAFV ▪ 10 – BGC ○ 42 completed services ○ We’re looking at additional screening tools. Here’s some current data on screenings: <ul style="list-style-type: none"> ▪ 276 screens ▪ 253 non duplicated ▪ 96% with min score of 14 or higher ▪ 162 screening above a 20 (very high risk) ○ A majority of those screened scored between 14-26 just a couple around a 28. Savannah explained that the tools we currently have are 	Savannah S

		<p>limited. Jeannie expressed pride and gratefulness for this effort. She’s seeing amazing things happen. Feedback surveys are being done with youth and families. That data isn’t visible yet but it’s being pulled together. Michelle stressed that we will be looking at sustainability and how to continue funding.</p> <ul style="list-style-type: none"> • Current Funding Projections <ul style="list-style-type: none"> ○ Savannah just wrapped up FY25 projections and we do have funds covering through FY25. She is watching for opportunities to apply for other monies. • Program Updates <ul style="list-style-type: none"> ○ Providers becoming walk-in/drop-in locations <ul style="list-style-type: none"> ▪ Savannah explained that the hurdles being identified are not having a centralized phone number and not having true designated brick and mortar location. Providers are now feeling comfortable being identified as such and we can now start listing their locations for in person visits. ▪ Savannah is meeting with FindHelpIdaho rep to see if there are other aspect we aren’t currently using in order to be the most effective and efficient. ○ Identifying phone carrier for centralized phone number ○ Referral/Client EHR considerations • Recap of NAC Symposium attended in January <ul style="list-style-type: none"> ○ Savannah reported that the symposium was valuable. They touched on what sustainability looks like and hearing what their 1 year process was like was helpful. It looks like we are ahead of the curve. ○ Jeannie shared that they are looking at Federal grants (could be 3 years worth of funding). ○ Savannah is meeting with new SWDH Grants and Contracts Officer in person tomorrow. 	
1:40	I	<p>WIYSC Update</p> <ul style="list-style-type: none"> • Open house/opening update <ul style="list-style-type: none"> • Cas shared that this is the first advisory committee meeting since the YCC opened. She thanked those who attended the open house and explained that if you want to see the space you can check with Cas and she can share a 	Cas A

		<p>video tour. If want to see it in person you need to coordinate that directly with the staff and your visit may be canceled if a youth arrives. Cas has materials to share. If you want some for your organization reach out to Cas.</p> <ul style="list-style-type: none"> • Elda C shared experience that resulted in the youth and the family being very pleased with the resource. • Sarah A expressed need to be mindful that if we don't have resources to refer to there could be a problem. Jeannie shared that we need, as community members to look at how we can make this a well-funded program. Got to get community member involved. That is essential. All agreed that this is a big conversation that needs further work. Jeannie suggested that some members of this committee could meet separately, and Savannah mentioned that this could be a subject that could be brought to the Youth Crisis Collaborative. • Service delivery data <ul style="list-style-type: none"> • Cas shared that in the first 3 weeks 7 youth were served. They primarily saw parent-child conflict and or abuse. These were mostly referred to community-based services, med management etc. We are demonstrating hospital diversions. Some of the youth did identify that they would have hurt themselves or others. • Pathways involvement in Advisory Committee <ul style="list-style-type: none"> • Annie with Pathways will start attending meetings and she'll be sharing their data. • Partnership development <ul style="list-style-type: none"> • Cas has done many presentations with community members and there are more and more requests for info. • Media/marketing update <ul style="list-style-type: none"> • Beth reported she has heard YCC marketing twice on the radio. Cas explained that we're marketing mainly to adults and potential caretakers of youth who could be in crisis. This marketing will continue through June.
