

DENTAL REFERRAL LIST

It is recommended that children visit the dentist beginning with the first birthday. If your child does not have a dental home, you may wish to contact one of the following dentists for an appointment for your child. Medicaid and private insurance is accepted.

Se recomienda que los niños visiten al dentista comenzando con el primer cumpleaños. Si su hijo no tiene un hogar dental puede que desee ponerse en contacto con uno de los siguientes dentistas para hacer una cita para su hijo/a. Se acepta Medicaid y seguros privados.
