(Either below or on a separate page)**

Owner/Agent's Signature: _____ Date: _____

NOTE TO OPERATOR: Low-risk food establishments offering factory-sealed prepackaged non-TCS foods are exempt from licensure. These establishments may have limited preparation of non-TCS food. Examples of allowable operations under this exemption include:

- Lemonade stands with powdered ingredients
- Black coffee with powdered creamers
- Nut roasters
- Ice cream trucks (pre-packaged ice cream)
- Popsicle stands
- Popcorn and kettle corn
- Snow cone shacks and Italian shaved ice stands
- Cotton candy

Homemade food products made and sold under the [Idaho Direct-to-Consumer Commerce Act](#) are not allowed to be used in a low-risk food operation offering food for immediate consumption.

Fraternal, benevolent, or non-profit charitable organizations (FBN) are exempt from licensure requirements if operating in accord with [Title 39-1602, Idaho Code](#).

If you intend to sell or serve foods that require time/temperature control for safety (TCS), and/or you sell the product to a third party, then your food establishment must be regulated and meet all the requirements described in the [IDAHO FOOD CODE](#). Refer to the Idaho Food Code for a complete definition of TCS foods.

HEALTH DISTRICT USE

Risk Assessment	Action
1. Low Risk or FBN	1. Exempt from licensure requirements of Idaho Food Code and legal to be sold
2. Medium Risk	2. Regulated under Idaho Food Code
3. High Risk	

Environmental Health Specialist: _____ Date: _____

Comments: _____

If the above listed items are considered low-risk at this time, the consumer is to be informed by a clearly visible placard at the sales or service location that the food is prepared in a kitchen that is not subject to regulation and inspection by the regulatory authority. Please follow safe food handling practices.
